Program Info

about the program **who attends**: the one-year career mentoring program pairs ethnically diverse post-baccalaureate students, graduate students and post-doctoral researchers with industry mentors who work at medical technology and consumer healthcare companies. With their mentors, SMDP MedTech Scholars attend a training session to learn about career opportunities in industry and receive career coaching. SMDP Scholars and Mentors will also be registered to attend [The Virtual MedTech Conference](#).

how to dress, what to bring: business attire. For in-person activities, Scholars are also encouraged to bring 100 business cards and 10 copies of your resume. Mentors will need business cards too.
